J&N STONE

HANDCRAFTED STONE VENEER

J&N Stone, Inc. entered into the manufactured stone industry in 1973 as a family business. Our goal then, and still today, is to manufacture and install precast stone veneer with the utmost quality and care. We strive to make sure every customer is satisfied with the beauty and craftsmanship of our manufactured stone products. For over forty years we have specialized in creating stone veneer products that are consistent in color, long withstanding, and astoundingly realistic. Enhance your home with the beauty of stone for a fraction of the cost of natural stone by choosing our skillfully crafted stone veneer.

ASHLAR

A combination of clean lines and natural colors make
Ashlar stone the choice to consider on your next
project. Tightly stacked stones and simple patterns
give Ashlar stones a contemporary look and a pleasing
aesthetic for your next building needs.

BEDFORD

Bedford was made from natural bedrock. Each stone was hand-picked and crafted to produce the best quality stone possible. As a distinct larger style of stone and its relatively smooth texture the Bedford delivers more depth than any other style.

STANDARD COLORS

CASTSTONE

Cast stone veneer is a clean, modern, sophisticated design appropriate for both commercial and residential projects.

STANDARD COLORS

Chalk

Chalk

COBBLE

Cut Cobblestone combines clean-cut stone with naturally rugged edges to form a perfect display for stone layering. The product line of Cut Cobblestone offers a variety of shapes and nature-inspired colors to meet your every need. Beautiful and distinctive, Cut Cobblestone can enhance any home or commercial office while easily increasing the property value.

CORAL

Enhance your Florida home with the look of coquina coral stone. The delicate fossil patterns and textured surfaces of Coral are a perfect complement to classic or contemporary Florida architecture. Neutral cream, golden and terracotta tones create a beautiful finish. It can be installed in either a random ashlar or repeating pattern.

STANDARD COLORS

CUTSTONE

CutStone[™] pushes toward modern architecture and design in the manufactured stone industry. Search no further than CutStone[™] when looking for a clean, lineal, contemporary stone to finish your next project. CutStone[™] is designed for a dry-stack installation and includes flat pieces and 90 degree corner pieces.

LAYTITE

Laytite stone offers a layered type profile. With a tight, narrow design, the Laytite stone makes grout joints seem less apparent and more rustic. Laytite can be installed with half inch grout joints or drystacked, giving any project a natural stacked feel. It's authentic appearance is a favorite among designers and architects.

LEDGE

Ledgestone has a hand-crafted, hand chiseled appearance and a distinct old-world feel. Ledgestone provides a perfect classic-look; it is timeless and beautiful for any building project. Homeowners love Ledgestone's rugged and informal appeal, with its rough-hewn texture and irregularity. With installation options of tight-fitted or mortared, Ledgestone can be used to achieve a number of unique treatments.

PLANKWOOD

Plankwood is the perfect alternative to natural reclaimed wood. Being that it's a thin concrete veneer, its lower in maintenance and is insect resistant, compared to natural reclaimed wood. Plankwood is a great alternative to the ever increasing price and low availability of natural wood. Look no further for your next wood project than Plankwood.

RIVERROCK

As the name describes, Riverrock was inspired by natural field stones. Randomly shaped Riverrock has the warm and inviting look of stones rounded by years of tumbling in a forest riverbed. Color, cut and texture are carefully hand-picked and crafted to produce the best quality stone. Serene and timeless, Riverrock can be used to accentuate a variety of interior and exterior designs.

Autumn Lakeshore

SANDSTONE

With a blend of ancient architectural style and a modern contemporary feel, Sandstone adds a touch of elegance to any installation. Chiseled by nature and carefully hand-picked, the Sandstone has a bold, unique quality of its own. Warm colors combined with sharp cuts give Sandstone a nice balance. Whether your next building project is residential or commercial, Sandstone is clearly the solid choice.

IOO SERIES BRICK

J&N Stone 100 Series Brick-Ease™ brick veneer lends itself useful in any application that demands stringent modular design and textures unmatched anywhere in the world. Installation is at "Ease" whether remodeling or building new. The lightweight design requires no footer, special bracing or wall ties. At 1.5" in overall thickness, mixing other J&N Stone® veneer products for that "One of a kind look" is now only limited by your imagination. No more conventional problems to deal with concerning different product thickness on any project large or small. Blending J&N Brick-Ease®, J&N Stone Veneers®, or any of the J&N Cast Stone® products becomes a simple task unmatched by any manufacturer in the industry.

100 Series

200 SERIES BRICK

If you are looking for that "Unique, Old Age" appearance, your search is over. By combining a slightly longer and rougher texture than the 100 Series, we've developed a brick veneer selection for any project. Meeting the demands of architects, builders, and designers is never a problem, developing a system that actually works in the field is a totally different story. The "Ease" in Brick-Ease™ says it all, from design to jobsite implementation, there is no other brick veneer product that offers as much versatility and color design options in the market. Think design and "Ease" of installation for your next project; ask your contractor or builder what they are using. "Demand The Best, Demand J&N Stone"™

INSTALLATION

While most manufactures of stone veneer focus on product development, we additionally work in conjunction with skilled masons to provide and develop premier products that are consumer friendly and easily installed.

A B C D

- A. SHEATHING
- **B.** MOISTURE BARRIER
- C. GALVANIZED METAL LATH
- D. MORTAR SCRATCH COAT
- **E.** APPLIED STONE
- F. MORTAR JOINT (CLIMATE SPECIFIC)

- A. CONCRETE OR MASONRY
- B. MORTAR SCRATCH COAT
- C. APPLIED STONE
- D. MORTAR JOINT (CLIMATE SPECIFIC)

^{*}Check with manufacturer for recommended mortar joint application within your climate

NOTES

For more information about J & N Stone, Inc. products and services, contact a sales representative or visit us on the web at www.JNStoneVeneer.com.

Physical Address

135 Bargain Barn Rd. • Davenport, FL. 33837 Phone: 863.422.7369 • Fax: 863.419.9213

Mailing Address

P.O. Box 1199 • Davenport, FL. 33836 Info@jnstoneveneer.com

COLOR VARIATION DISCLAIMER

Because J&N Stone, Inc. replicates natural stone, variations should, and can be expected. Colors are shown as accurately as possible; however, due to photographic and printing techniques – and actual viewing conditions – the perception of color can alter. We recommend making your final color selection from actual samples.

AUTHORIZED DEALER
